BUILDING STORES

**SUPPLY YOUR
COMMERCIAL
BUILDING
NEEDS.**

Your commercial building needs are no further away than your New Home Building Store. Our factory trained sales staff stands ready to assist you in meeting the needs of your commercial building project. Whether it is a church, school, or business facility, we can provide you with everything from in-stock commercial doors and accessories to custom sized washroom dividers.

Commercial Doors

New Home Building Stores maintains a stock of commercial door products including frames, and fire labeled doors. Borrowed lite doors and custom sizes are also available.

Choose from our available supply of locks, closers, hinges, and exit devices, or look through the catalogs of our suppliers for the accessories that are right for your project.

You can also special order acoustical, bullet resistant, FEMA approved tornado and hurricane doors, or special sizes if we don't have in stock the door slab you need.
